Hi Matt,

I am OK with the one 1 year renewal as indicated. We have to agree on terms to go forth with the long term project and lease.

Dr. Mobed,

I am writing to let you know that I spoke with your attorney this afternoon. He provided me with your comments to the Lease Proposal, which I will discuss with CareerSource. It may take me a few days to review the comments with them. I hope to have something back to you by the end of the week.

In the meantime while we are working on the 10-year lease renewal, CareerSource has told me that they would like to exercise their 1-year renewal option term which runs from July 1, 2021 through June 30, 2022. Accordingly, the monthly lease rate will adjust to \$5,275.86 beginning on July 1<sup>st</sup>.
